**PLACE ALL WASTE CURBSIDE BY 5AM ON YOUR SCHEDULED COLLECTION DAY**

#### **TRASH PREPARATION**

- \* All waste should be bagged & tied, this will help during collection and help prevent litter.
- \* All waste should be contained inside your ADSI cart.
- \* Cart must be placed within 5' feet of the road and 5' feet from all objects.  
Almost all carts are collected by a truck with an automated arm, it is important that it's positioned where the operator can grab it and dump it easily without obstruction.
- \* Arrange cart so that the lid opening is facing the road (handles toward house)
- \* Place the quarterly colored sticker (designating current active account) on front of can, facing road.
- \* No hazardous materials allowed
- \* It is the responsibility of the waste producer to ensure garbage is secured until it's picked up.
